**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Purpose of Form**

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

## RESOLUTION

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council with the concurrence of the Mayor; and

WHEREAS, for years, mountain lions and other animals have been threatened by the dangerous and imposing barrier of the U.S. 101 and other freeways that divide once-continuous wildlife habitats; and

WHEREAS, since National Park Service biologists began researching mountain lions in the Santa Monica Mountains in 2002, motorists have struck and killed a dozen of the animals in the study area; and

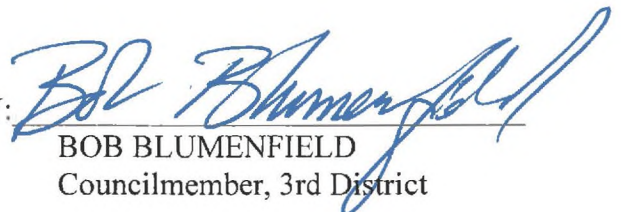

WHEREAS, researchers have identified the area near Liberty Canyon Road in Agoura Hills as a critical location for a wildlife corridor that would connect the Santa Monica Mountains on the south with the Simi Hills and Santa Susana Mountains; and

WHEREAS, the California Department of Transportation (Caltrans) recently released a study that concluded that a 165-foot-wide, 200-foot-long wildlife corridor overpass at Liberty Canyon road was feasible; and

WHEREAS, the next step will be to undertake an environmental impact document, which will be funded by a \$1 million grant from the State Coastal Conservancy;

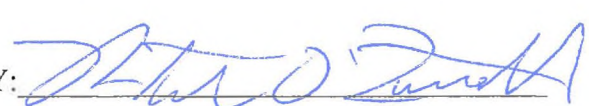

NOW, THEREFORE, BE IT RESOLVED, with the concurrence of the Mayor, that by the adoption of this Resolution, the City of Los Angeles hereby includes in its 2015-16 State Legislative Program SUPPORT for the proposal by the California Department of Transportation to construct a landscaped wildlife corridor bridge over the U.S. 101 Freeway in Agoura Hills.

## BUDGET & FINANCE

### MOTION

As the City of Los Angeles is suffering an affordable housing crisis, various media outlets and studies report that the proliferation of unregulated short-term rentals contributes to a tighter housing market, a loss of potential revenue to the City and an overall decrease in the quality of life for residents near these rentals.

A March 2015 study by Los Angeles Alliance for a New Economy (LAANE) reports that unregulated short-term rental platforms, can create financial incentives for owners to take housing units off the rental market. The study by LAANE estimates that more than 7,000 houses and apartments have been taken off the rental market in metro Los Angeles for use as short-term rentals. This trend has a direct impact on the housing shortage that already exists in Los Angeles

The CAO, under CF 14-0593 (Wesson-LaBonge), will be issuing a report on both the positive and negative impacts of the “sharing economy” industries, like short-term rentals. The report will include a review of best practices, input for preparing an ordinance and policy recommendations. More Specifically, CF 14-1635 (Bonin-Wesson), speaks directly on regulating short-term rentals and to include recommendations and ordinance to collect Transit Occupancy Tax (TOT) from these types of business.

As short-term rentals take over a significant portion of the rental housing market, further escalating rent prices – the demand for affordable housing will become even greater. The City’s Affordable Housing Trust Fund, which funds the construction, rehabilitation and preservation of affordable housing has been reduced as state and federal resources have significantly diminished.

If the City pursues regulations of the growing short-term rental industry as indicated by above mentioned council files, it is in the interest of the City to dedicate any new revenue generated into the Affordable Housing Trust Fund.

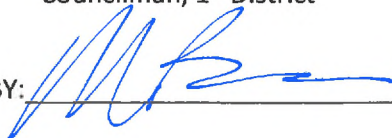

I THEREFOR MOVE that the City Administrative Office be directed to report within 45 days on the feasibility of directing all or a portion of the Transient Occupancy Tax received from short-term rentals to the City’s Affordable Housing Trust Fund, as the City explores regulatory mechanisms and policy recommendations relative to short-term rentals.

MOTION

Given the number of active wells in the City of Los Angeles and the amount of oil and gas production that occurs, the City needs to take a more proactive approach to ensure that oil and gas production in the city is conducted in the safest manner possible. To do so, the City must make sure that the duties of the Petroleum Administrator are being fulfilled on a full-time basis.

Chapter 4 of the Los Angeles Administrative Code entitled Petroleum Administration contains the following:

Sec. 19.48. Management by Director of the Office of Administrative and Research Services.

- a. To examine and render a report and recommendation concerning matters related directly or indirectly to the exploration for or production of petroleum within the City of Los Angeles which may be referred to him by any department, bureau or officer of this City and obtain requested technical advice;
- b. To report, upon request, to any department, bureau or officer of this City concerning creation of oil well drilling districts under the provisions of the Los Angeles Municipal Code;
- c. To establish general rules and procedures to be followed with respect to the leasing for oil and gas production purposes on any City-owned property;
- d. To administer and determine the compliance with all provisions of oil and gas leases and the production thereunder from all lands owned by the City, the jurisdiction and control of which has not been heretofore or hereafter expressly assigned to any other department or officer;
- e. To negotiate with those requesting drilling rights or oil leases on City-owned property, to determine the minimum price of oil at which the operator shall suspend his production, abandonment and other protective provisions to be included in leases of City-owned land for exploration and to determine the terms on which bids are to be requested;
- f. To investigate subsidence problems and explore possible protective measures;
- g. To recommend proper measures to prevent or eliminate drainage from beneath City-owned lands;
- h. To investigate and make recommendations concerning existing restrictions on exploration for and production of petroleum in the City;
- i. To coordinate all matters respecting or concerning the exploration for or production of petroleum within this City; and

- j. To perform any other duty or duties respecting petroleum which may be requested of him by the Council.

**I THEREFORE MOVE** that the City Council INSTRUCT the Chief Administrative Officer (CAO) to immediately fill the position of Petroleum Administrator on a full-time basis as set forth in administrative code sections 19.48 and 19.49.

**I FURTHER MOVE** that Council approve resolution authority for one principal project coordinator in the CAO through June 30, 2016.

**I FURTHER MOVE** that the CAO evaluate and report on how best to institutionalize the petroleum administration function in the City, including where to house this function in the City organization.
