For a person to rent a one bedroom apartment the salary should be a minimum of \$49.00 an hour. Marie also indicated that the report shows systemic racism has caused more homelessness in the Black community. on the other hand the good news was that LA was able to house 75,000.00 people in 2019. Marie also stated something should be done with the rent moratorium, since at the end of September it should end.
