# NEA Announcements

*Last Updated: Monday, September 30, 2024 9:02PM*

## Conflict of Interest Announcement

*Any Board Member who may have a conflict of interest and you have not consulted with the Office of the City Attorney, the Board should move to have the matter tabled until the next meeting so that the board member has an opportunity to consult with the City Attorney's Office. If the Board declines to table the matter, the Board Member may want to consider recusal prior to the matter being discussed. If choosing to recuse, the Board Member should state for the record, all reasons for the recusal and that they will be leaving the meeting during the discussion and voting. Because recusal may not always be sufficient, tabling of the matter at issue is always preferred to allow time for the Board Member to consult with the City Attorney's Office.*

## Department Announcements

### Administrative Services

During the August 19th Board of Neighborhood Commissioners meeting, General Manager Carmen Chang delivered a report regarding the concerns that have been shared about the Neighborhood Council forwarding email addresses. As you know, the Neighborhood Council forwarding email addresses were deactivated in May due to significant security concerns. After a thorough investigation, the EmpowerLA admin team discovered that these forwarding addresses were exposed on public websites, making them vulnerable to spam, phishing, and other online threats. We are now working with the City's Information Technology Agency to develop a more secure solution. Watch General Manager Chang's full report to BONC [here](#).

## Policy & Government

### **Stakeholder Verification Bylaws Amendment**

In response to concerns about the voter application process for Neighborhood Council elections, EmpowerLA invites Neighborhood Councils to consider amending Article X Section 4 of their bylaws to change their type of stakeholder verification. As a reminder, stakeholder verification can either be done by **self-affirmation** or through **documentation**. Any proposed amendments must be agendaized and passed by your Neighborhood Council, and an amendment application must be

submitted to EmpowerLA. Amendments must be submitted ***no later than September 30, 2024***. Bylaw amendments unrelated to stakeholder verification will not be considered at this time.

### **CF-24-08-67: Neighborhood Council Youth Seats & Term Limits**

We want to inform you about [Council File 24-0867](#), introduced on July 30, 2024, which addresses Neighborhood Council Bylaws with a focus on increasing youth participation and diversity. This motion, referred to the Neighborhoods and Community Enrichment Committee, requests the Board of Neighborhood Commissioners to submit recommendations on amending the Bylaws to include a designated youth seat on each Neighborhood Council and the introduction of term limits for Board Members to enhance leadership development. For further engagement, Neighborhood Councils can call their City Councilmember offices, visit their Member's office, as well as use Community Impact Statements (CISs) to voice their positions on issues before the City's decision-makers. You can track this council file using the [Council File Management System](#), subscribe to [City Council, Commission, and Neighborhood Council agendas](#), and monitor Community Impact Statements through the [Community Impact Statement Portal](#). For assistance with CISs, please contact [cis@empowerla.org](mailto:cis@empowerla.org).

### **Community Impact Statement Portal**

We'd like to remind you of the updates to the Community Impact Statement (CIS) Portal, as featured in our May 15th board newsletter. These updates aim to provide greater support and resources for Neighborhood Councils. The updated CIS Portal includes:

### **SB 411 In-Person Meeting Reminder**

SB 411 mandates that the Neighborhood Council must hold an in-person meeting once a year. This requirement is based on the calendar year, specifically from January 1st to December 31st. If the council has already conducted an in-person meeting within the current calendar year, there is no further obligation to meet in person for the remainder of 2024. However, if the Neighborhood Council has not held an in-person meeting in the 2024 calendar year, the Neighborhood Council will be required to hold at least one in-person meeting as part of the annual compliance with SB 411.

## City Clerk Elections

### **NC Election Update**

[Election Administrators](#) continue to create Ballot Voting Models (BVMs) and review amended bylaws to ensure any updates are accurately reflected in the Neighborhood Council Portal and on the BVM. The BVMs contain information on board seats, the method of verifying stakeholders, and ballot information used to administer voting for NC elections. Our office will send BVMs to neighborhood councils for their review and confirmation that our office interpreted their voting requirements correctly. Neighborhood Councils can also add vacant seats with an unexpired term to their election at that time.

The Office of the City Clerk will host a [2025 Election Information Session](#) on October 12th from 9:00 a.m. to 11:00 a.m. The session will cover information about the upcoming 2025 Neighborhood Council election cycle, including the election timeline, candidate filing, and the vote-by-mail process. **Agenda Item 24-0057 - Discussion and possible action to approve a resolution to modify the 2024-2025 SW Valley Community Plans, passed unanimously by the WHNC Zoning & Planning Committee on September 26, 2024**

**Resolution for L.A. City Planning  
To Modify the 2024 -2025 SW Valley Community Plans**

Whereas the 2024 - 2025 SW Valley Community Plans are comprised of three Ordinances:  
1.Citywide Housing Incentive Program (CHIP), 2. Housing Element Sites and Minimum Density Ordinance, and 3. Resident Protections Ordinance;

Whereas L.A. City Planning outreach for the 2024-2025 SW Valley Community Plans have not adequately or reasonably informed residents regarding the proposed aforementioned ordinances;

Whereas L.A. City Planning has not considered community opinions in development and implementation of the 2024 - 2025 SW Valley Community Plans that will change the future of our communities;

Whereas the 2024 - 2025 SW Valley Community Plans offer incentives for insufficient parking, increases traffic on our already congested streets, increases density, pollution and noise and creates a burden on our already compromised police and firefighter resources;

Whereas SW Valley residents are against uncontrolled, irresponsible growth that does not contribute to positive futures for renters, homeowners and small businesses;

Whereas L.A. Department of Transportation's bus service is inadequate to meet the needs of West Hills residents, proposed development projects must consider increasing transit with safe and reliable service;

Whereas the City of LA has the ability to meet the State mandate without rezoning residential neighborhoods that negatively increase density by adding multi-level developments on inappropriate sites;

Whereas the 2024 -2025 SW Valley Community Plans negatively affect the character and quality of life and do not consider the uniqueness of each community therefore be it;

*Resolved by the West Hills Neighborhood Council:*

1. That the L.A. City Planning Department protect Los Angeles single-family neighborhoods from zone changes that allow inappropriate higher-density projects in their communities.
2. That the L.A. City Planning Department include Los Angeles residents' concerns and respond to those concerns before making decisions on land-use issues that affect their communities.
3. That the L.A. City Planning Department delay approvals for the 2024-2025 SW Valley Community Plans until modifications are made.
