Don Evans introduced himself as a member of the Canoga Park Neighborhood Council and stated he is on a committee working to establish DASH bus service in the west SFV. He would like WHNC cooreparation and participation in the effort. Don said he is not happy with the proposed route and advocated for a route that would include West Hills Hospital, Fallbrook Mall, Westfield Topanga, and Kaiser Woodland Hills.

6. Vision Zero: Olivia and Brad gave an update on Springfest plans. For the student artwork from Fallfest, Olivia will include information on the Platt Library display when she delivers the participation certificates.

Brad mentioned the pavement at the Metro bus layover on Platt is disintegrating. Dan stated Keith Mozee at the Bureau of Street Services is the proper contact to report this issue to and that Metro must pay for needed repairs caused by their vehicles.
