Case #ZA-2016-3763-ZAA

December 16, 2016

Dear Mr. Marcus,

At the regularly scheduled West Hills Neighborhood Council (WHNC) joint Board and Zoning & Planning Committee meeting held on Tuesday November 14th 2016, the above mentioned case came before the board for discussion and possible action under New Business as Item #6.

The discussion with stakeholders, representatives from de Toledo High School and WHNC board members regarding the proposal to increase the height by adding a 6' high fence atop the existing block wall, up to an overall maximum height of 14' for a total length of 325 linear feet along Faust Avenue. The length of the fence accommodates the requests of adjacent neighbors, as it will increase neighborhood and school security and improve the ambiance of the appearance to Faust Avenue. Representatives from de Toledo High School were agreeable to these requests as well as a separate appeal from a neighbor to improve the look of an existing fence pole.

The board vote was unanimous in support of this case.

Should you have any questions or require additional information, please feel free to contact us.

Best Regards,

Bill Rose
