5. Discussion and Possible recommendations regarding Emergency Preparedness kits  
Bob Brostoff provided some background on the Emergency Preparedness kits. These kits were not provided by the West Hills Neighborhood Council but by a non-profit organization. There were originally 24 kits and only 9 of them have been distributed leaving a balance of 15. Bob Brostoff suggested that we donate the 15 kits to the non-profit organization that hosts the Public Safety event in the San Fernando Valley. Brad Vanderhoof said that the non-profit donates 600 kits per year and this will not make any impact on their effort. Brad suggested to distribute it to anyone who wants it, whereas, Steve Randall suggested that we have some criteria for distribution. Faye Barta mentioned that she has 400 plus participants in her neighborhood watch and will check with the group and gauge their interest. Faye will get back to Bob and Saif in 7-10 days.

6. Discussion and Possible Action on West Hills Emergency Preparedness Plan

The redline version was shared with the attendees. A working group was formed to work on the emergency preparedness plan. The following are members of the working group: Faye Barta, Brad Vanderhoof, Bob Brostoff and Saif Mogri.

#### 7. Safety Tip of the Month

Saif made a presentation on safety tips on various Santa Ana wind scenarios and safety precautions to take prior to a Santa Wind event.
