### **JOINT COMMUNITY/SENIOR CENTER AD HOC COMMITTEE/BOARD MEETING **APPROVED** MINUTES Tuesday May 19, 2015 West Hills Hospital 1<sup>ST</sup> Fl Conference Room, West Hills**

The meeting was called to order at 8:25 PM by Steve Randall, Chair

In attendance were Steve Randall, Char Rothstein, Dan Brin, Aida Abkarians and Ron Sobel. A quorum was established and the April 21, 2015 minutes were approved.

Dan Brin stated that he spoke with Jill Mulligan who will be vacating the Historic Lederer site at the request of the property owners. There have been several offers for the purchase of the Historic site, one from a wine tasting business.

Steve Randall stated that in response to Dan's suggestion last month, he made a visit to the property located on the east side of Valley Circle between Vanowen and Highlander. It is believed that this may be a good location for the Community Center. Steve and Char will contact Sheila Kuehl's office to set up a meeting to discuss the site.

Steve mentioned that it might be possible to use a bungalow placed in a park as a temporary location for a Community Center

Ron agreed to pursue funding sources.

Steve announced that our next meeting will be Tuesday, June 16, 2015 at 7:30 PM at West Hills Hospital.

Meeting Adjourned at 8:55 PM by Steve Randall.
