RESOLUTION

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state or federal governmental body or agency must first have been adopted in the form of a Resolution by the City Council; and

WHEREAS, current law allows a peace officer or public employee to tow, immobilize, and impose the lien sale of impounded vehicles if it has received five or more unpaid parking or traffic tickets; and

WHEREAS, existing law also authorizes the Department of Motor Vehicles (DMV) to refuse to renew the registration of a vehicle if the owner has not paid parking tickets and administrative fees; and

WHEREAS, on February 15, 2023, Assembly Member Kalra introduced AB 1082, which would remove the authority of a peace or traffic officer to remove, immobilize vehicles, or place a lien sale on vehicles that have five or more parking tickets or traffic violations; and

WHEREAS, the legislation would also modify the requirements for processing agencies to be able to use the DMV for collection purposes, thereby restricting the City’s ability to collect parking penalties; and

WHEREAS, the City of Los Angeles has implemented programs to address the impact of parking debt on indigent persons by reducing the financial burdens and requiring waivers of related late fees; and

WHEREAS, AB 1082 would significantly undermine the use of parking citation issuance as a deterrent to unlawful behavior;

NOW, THEREFORE, BE IT RESOLVED, that by the adoption of this Resolution, the City of Los Angeles hereby includes in its 2023-24 State Legislative Program OPPOSITION to AB 1082 (Kalra) that would eliminate a number of parking enforcement programs used to manage curb space.
